
Small LED Lighting Product

Thanks for your attention on Deasy's small LED lighting product. We are a leading LED lighting fixture manufacturer in China. Our vast array of products includes indoor LED display, outdoor LED display and LED tube light, which are widely exported to America, Europe, Asia, Oceania, etc, as a result of stable performance and economical prices. We provide three types of small LED lighting products, that is, small desk lamp, doorplate lamp and remote control lamp. For their details, you can refer to the following tables.

Small Desk Lamp

Our small desk lamp has high luminous efficiency and color rendering index. Its color temperature range is within 3000-5000K.

Light source	High light LED*1
Input voltage	0.2W
Color temperature	3000~5000K
Dimension	78.9*65.8*19.8mm
Battery	7#*3
Service life	≥10000 hours
Color rendering index	Ra>65
Materials	Plastic

Doorplate lamp

Our doorplate lamp is designed with solar-cell panels. It is easy to install and can automatically illuminate at night.

Light source	High light LED*1
Solar-cell panel	0.2~0.25W monocrystalline silicon/polycrystalline silicon
Protection grade	IP43
Dimension	40*150*75mm
Battery	1.5V, 1500m, chargeable nickel-metal hydride battery
Discharge time	12 hours
Color	White/Blue/Yellow/Red/Green
Materials	Plastic

Remote control lamp

Our remote control lamp has strong capacity of resisting disturbance. With it, you can easily turn on/off the light and adjust brightness of the light.

Input voltage	AC100V~240V
Light source	High light LED*12
Discharge time	>4H
Input power	1W
Color temperature	5000K
Remote switch	ON/OFF
Dimension	137*82*82mm
Battery	4V800mah, chargeable acid battery, 3.2W
Base specifications	E27, B22
Service life	≥10000 hours
Color rendering index	Ra >70
Materials	Plastic
